Affidavit of Reagan Janson

This exhibit contains the Affidavit of Reagan Janson submitted in support of Plaintiffs' Complaint and Motion for Preliminary Injunction.

AFFIDAVIT OF REAGAN JANSON

State of Michigan)
County of) ss.

REAGAN JANSON, being duly sworn, states:

1. I am a resident of the State of Michigan and over the age of 18 years.
2. I do not possess a license to carry a concealed pistol.
3. On or about December 22, 2025, I personally appeared at the Walker Police Department for the purpose of applying for a License to Purchase a Firearm ("LTP").
4. The person who assisted me gave me a paper to fill out and informed me that there would be a \$3.00 notary fee.
5. Once I filled out the paperwork and paid the notary fee, I was informed that I would be contacted within a few days regarding whether my application would be approved.
6. Later that same day, I received a telephone call from an individual at the Walker Police Department who informed me that my application would be denied because they believed I had applied for an LTP in another jurisdiction on the same day. I was also informed that no written denial would be issued.
7. The following day, on December 24, 2025, I sent an email to the Walker Police Department requesting a written explanation of the decision to deny my application.
8. On December 26, 2025, I received an email response from Jade Stora, a records technician with the Walker Police Department, stating that the department does "not provide anything in writing regarding a denial" and that the department had "chosen" not to process my application.
9. A short time later, I received a second email from the same individual stating that the Walker Police Department denied my application because they believed I had applied at multiple locations and that the department "do[es] not process applications for individuals going to multiple locations."
10. The second email further stated that applying at multiple locations constituted "probable cause," which was described as the standard for denying an application.

11. I received no further communication from the Walker Police Department regarding my application, and the notary fee I paid was never refunded.
12. Since that time, I have lawfully acquired a pistol with a license obtained from a different authority, which, upon information and belief, has been registered with the State by the seller.
13. I had no control over whether the seller actually submitted the required registration to the State.
14. I never received any confirmation that the seller submitted the required registration to the State.
15. I am a responsible and law-abiding citizen and am not subject to any legal disqualification that would prohibit me from purchasing or possessing firearms.
16. I have never been convicted in any court of a felony, or any other crime, for which the judge could have imprisoned me for more than one year.
17. I have never been a fugitive from justice.
18. I am not an unlawful user of, or addicted to, marijuana or any depressant, stimulant, narcotic drug, or any other controlled substance.
19. At no time have I ever been adjudicated mentally defective or committed to a mental institution.
20. At no time have I ever been discharged from the Armed Forces under dishonorable conditions.
21. At no time have I ever been subject to a court order restraining me from harassing, stalking, or threatening a child of mine, an intimate partner or child of such partner.
22. At no time have I ever been convicted in any court of a misdemeanor crime of domestic violence.
23. I am a citizen of the United States, a lawful resident of the State of Michigan and at no time have I ever renounced my United States citizenship.
24. At no time have I ever been the subject of an order finding that I am legally incapacitated.
25. At no time have I ever been the subject of a personal protection order.
26. At all times I applied for an LTP, I was not under an order of probation nor any conditions of probation.

27. At no time have I ever been found not guilty by reason of insanity.

28. At no time have I ever been the subject of an Extreme Risk Protection Order.

29. If sworn, I could testify competently to the facts contained within this affidavit based upon my personal knowledge.
